(4,7km after turn off to Langeberg *Afdelingspad*)

Local olive oils, nuts, cheese, meat, fresh samoosas, bread, jams, woodwork, and lots more. Fresh in season fruit & vegetables, herbs and spices.

Inspired by good old fashioned village life this market is a social event of note. Farmers from the area gather to sell some of their freshest produce and finest fare. Visitors and locals join them to buy the good stuff they have on offer and to mingle with visitors and exhibitors and enjoy some healthy conversation.

Come join and experience the good life.
